Tianjin – China, March 8, 2025

Interview with Zhang Zhifang – Supplier Development Specialist, Secop Tianjin

What is your job in Secop and since when?

Hello everyone, it's a great pleasure to be here. I'm Zhifang from the sourcing department. I've been working in our company for 22 years. Currently, I'm responsible for supplier development management.

How do you feel about working at Secop?

It's truly a stroke of luck in my life to have joined the Secop Group. I feel really fulfilled, as Secop has provided me with a great platform to grow and develop my skills. The teamwork here is excellent, and I've learned a lot from my colleagues over the years. The work environment is collaborative and inclusive, which makes it a joy to come to work every day.

What advice would you give to women at work?

I would advise women at work to always believe in themselves and their abilities. Don't be afraid to take on challenges and step out of their comfort zone. Also, continuous learning is crucial. And always remember to build a strong network and support system
