SECOP

International Women's Day 2025 at Secop Group

Tianjin – China, March 8, 2025

Interview with Zhou Haiyan – Logistic Planner, Secop Tianjin

What is your job in Secop and since when?

My name is Zhou Haiyan, and I am a planner. I have been with our company for 25 years.

How do you feel about working at Secop?

The working atmosphere in CNS is very positive, with mutual support and cooperation among employees. The company focuses on the growth and development of employees, providing training and learning opportunities.

How do you balance work and personal life?

By prioritizing tasks, scheduling time effectively, managing our time well, maintaining our health, learning to relax, and addressing challenges and obstacles, we can achieve a better work-life balance.

What advice would you give to women at work?

Don't let your emotions get the better of you. Women tend to be emotional, but emotions are the most important thing to control.
